## WORK HISTORY

December 2023 - Current

**Digital & Web Designer, *Prometheus Federal Services (PFS)***, Remote

- Involved in graphic creation collateral such as infographics, , video production, illustration, print collateral, templates, motion graphics, and animation
- Responsible for UX/UI designing and maintaining responsive government-owned websites
- Promoted brand identity by creating company logos and delivering attractive, user-friendly and unique website.
- Enhanced visual storytelling by developing engaging motion graphics and animations for various projects.

January 2022 - January 2024

**User Experience Designer, *Upwork freelance***, Remote

- Used industry-standard design tools while keeping myself updated with

the latest trends and technologies in the field

- Championed accessibility guidelines throughout all stages of the design process to accommodate users with disabilities and promote inclusivity within products.
- Increased user engagement through the application of persuasive design principles that encouraged desired behaviors within the platform.

May 2021 - November 2022

**Digital Designer, *Bidscale*, Remote**

- As a digital designer at Bidscale, I've worked on and shipped different products across the board that include UX and UI for government contracting tools, branding, graphic design, and motion graphics animation.
- Developed wireframes, prototypes, and mockups for a diverse range of digital projects, ensuring alignment with overall project objectives.
- Optimized web pages by implementing responsive design techniques, improving accessibility across devices.
- Aligned designs with brand image while meeting usability and website standards.

December 2020 - October 2022

**Digital Illustrator, *Upwork freelance***

- Expert at sketching, concept development, and bringing characters to life with vivid details and expressions
- Responsible for maintaining style consistency across the project and adapting to various art styles
- Created lifelike characters with appropriate textures, shadows and features.
- Developed storyboards outlining animation plans.

December 2020 - August 2021

**Digital Designer, *Summit Financial Group, Inc.*, Remote**

- Optimized web pages by implementing responsive design techniques, improving accessibility across devices.
- Participated in regular design critiques, incorporating feedback from peers and stakeholders to continuously improve output quality.
- Developed infographics to better communicate complex data.

July 2020 - May 2021

**Education Sales Representative, *Microsoft*, Delaware**

- As well as hosting trainings and workshops for students who want to learn

more about coding and computers

- Maintained accurate records of all sales activities, including client interactions, follow-ups, and closed deals.
- Helped customers navigate choices between services with support for questions such as terms, pricing, and availability.
- Connected customers with services based on individual needs and vendor capabilities.

December 2017 - June 2020

**Product Advisor, *Microsoft***, Delaware

- Inform and teach customers about the various products and Microsoft services
- Train clients on how to use devices, schedule appointments to help fix devices, and host gaming events
- Assisted customers with product needs and introduced new store offerings.
- Investigated and resolved customer inquiries and complaints quickly.

## **ACCOMPLISHMENTS**

- **Bronze Sport Award** For stepping in to support the development and production of major video projects for the first time for PFS while supporting multiple other complex and demanding projects. **2024.**
